

## DURING YOUR STAY

- Hand sanitiser stations are will be available in all areas during your stay.
- To ensure social distancing is respected our guests will notice signage has been placed throughout the hotel & we have implemented one way systems & where required have introduced a Q system following the 1 meter social distancing rule for hospitality.
- All bedroom & public areas will be thoroughly disinfected & sanitised throughout each day at increasingly frequent intervals using disinfectant solutions approved for the killing of Covid -19 & other viral infections.
- Extra focus will be placed on sanitising high touch surfaces including public areas, the front reception desk, door handles, hand rails, public bathrooms, elevator buttons & so on.
- Our Bistro will be open during your stay but will be offering a reduced menu & you will be required to book a dinning time with the bistro team.
- All staff are monitored for any Covid-19 symptoms & back to work protocols are in place.
- All staff have undertaken updated training in all matters of hygiene along with health & safety in accordance with HSE guidelines.
- Due to Government guidelines it is now compulsory to wear a facemask when moving around all parts of the hotel & bistro.

**Social Distancing is in place to keep you & us safe**
